

# GREYFIELD INN PHOTO SAFARI 2022

## HOSTED BY DAVID WRIGHT & MIMI MCGEE

Georgia's Cumberland Island

Sunday January 30<sup>th</sup> – Thursday February 3<sup>rd</sup>

### THE INN

Greyfield was built by the Carnegie family in 1890. Only accessible by the inn's private boat, this luxury destination transports guests back in time; the furnishings and style remaining true to its history. The Inn offers 15 comfortable rooms in the main house and two additional cottages. Cozy fireplaces and a breezy, shaded veranda make the inn a wonderful year-round travel destination. The friendly staff, fine dining, yet relaxing atmosphere, complement the time spent exploring some of the island's exclusive and hidden treasures with your hosts.

### HOSTS

David Wright is an award-winning, wildlife filmmaker and photographer with a 30-year career working for clients that include National Geographic and the BBC Natural History Unit. He is accompanied by his wife and business partner MiMi McGee. Together they have worked on projects in over 65 countries. Additionally, they also help host international expeditions and tours: destinations have included Iceland, Svalbard, Australia, New Zealand and Greenland. When not traveling, they make their home on the Georgia coast, making frequent visits to explore Cumberland and surrounding islands to document the region's landscapes, history and wildlife.

## THE SAFARI

Cumberland is a wonderful place to reconnect with your creative spirit and escape to an island retreat. This trip will cater to photographers of all levels, whether you shoot with a smart phone or a DSLR. We design the trip with an emphasis on expanding your photographic skills, while exploring the island's natural beauty and history. Weather permitting, most of our time will be spent outdoors. With the assistance of the inn's naturalist staff, David and MiMi will take you to some of the most beautiful parts of the island.

Outings will be themed with a focus on different photographic skills, and the group will be small enough for everyone to get the personal attention they need. We prefer the classroom to be out in nature. The schedule will be full during your stay. Feel free to accompany us for the entire time, or break away to take a few hours for yourself. Make sure you carve out a little time to relax on the beach or the Inn's iconic porch.

After accessing the inn on the private ferry from Fernandina, FL, safari excursions around Cumberland Island will be tailored to attendees' preferences. You can hike in the old growth forests, bike along the 18 + miles of beachfront or be driven around island to explore the historic sites and buildings. And after a day of adventure, guests will enjoy a relaxing evening on the Greyfield Inn porch, followed by dinner, all while having the opportunity to spend time with your hosts, hear feedback on your photography, or share stories of this and other adventures.

Guests are welcome to bring a traveling companion, and while you participate in the safari, they can head off on their own island adventures, rejoining the group for cocktails and dinner.

### **Suggested times of arrival/departure:**

(Private ferry from Fernandina FL, with easy access to Jacksonville airport)

Arrive: Sunday, January 30th (9:30am or 12:15pm ferry)
